The Roots of the Enlightenment - Study.com

The Age of Enlightenment was a movement by intellectuals. It started somewhere between the beginning of the 1600s and the mid-1600s and went until around 1804. It was a time of philosophic reason, in which the prevailing thoughts of the times were always challenged. Nothing was taken at face value.

What was the Age of Enlightenment? [Video]

Enlightenment Summary & Study Guide Description. Scholars do not agree on the exact dates of the Enlightenment. Most literary historians support the claim that it ended with the onset of the French Revolution in 1789, and they place the beginning somewhere between 1660 and 1685. Although it was centered in France,...

SparkNotes: The Enlightenment (1650-1800)

The Enlightenment: 1550-1789 As the printing press spread ancient ideas about government and art, etc, a new age of thought began. In this period great thinkers and Philosophers began to adjust their ideas about how a government should be run, they found that just like science, traditional beliefs (Especially Catholic Religion) were not necessarily correct.
