**'On the Pill' by Elizabeth Siegel Watkins. This  
modern-day hormonal miracle allowed women  
to collapse the double standard, breaking free  
of their reproductive shackles for the first time  
in history. With the pill, women took charge of  
their own sexuality. They swallowed the pill and  
stopped swallowing their emotions. They ...**

***Perhaps the most striking example of such daily  
medications is the contraceptive pill, the  
subject of Elizabeth Siegel Watkins' chapter.  
While the primary purpose of the pill is to  
prevent pregnancy, the emergence of  
alternative contraceptive methods have spurred  
pharmaceutical companies to take advantage of  
its side effects.***
