**How to change colour options  
in Lotus 1-2-3 servers? Hi  
Randolph, I hope what you  
are asking is font colour if so  
then the steps to follow to  
change the font colour are  
this: select a file then choose  
preferences, then select user  
preferences. click on basic  
tab and select default fonts.  
At this point select your  
default font colour from the  
dropdown box, here you can  
also change your style and or**
