His way of coping was to make soft sounds including neologisms because, as he said, that gave him "something he did not have to explain to others" and helped desensitize him to overwhelming sensory input. I like the way the family "made peace" with autism; at all times, Nat is accepted, taught and encouraged to make more strides.

Amazon.com: Customer reviews: Making Peace with Autism ...

But I think I'm actually doing that now. I think I'm making peace with the past. It feels like the next phase of acceptance and integration of the diagnosis and the new self awareness that I've gained, that I'm now experiencing. Don't throw the baby out with the bath water, is another one of those sayings, that I think I understand now.
