Philodemus On Property Management Writings

Philodemus criticizes rival writings by Xenophon and Theophrastus on the subject of oikonomia, or property management, and defends his own Epicurean views on the topic. More systematic and philosophical than rival approaches, the treatise clarifies many moral issues pertaining to the possession and preservation of property and wealth and provides plausible answers to a cluster of moral questions.

Philodemus, On property management (eBook, 2012) [WorldCat ...

In his book On Piety, Philodemus defends the Epicureans against accusations of atheism, giving examples from the writings of Epicurus and Metrodorus to prove their belief in the gods ’ immortality and their encouragement of Epicureans to participate in the ordinary cult observance of the gods. Epicureans have good reasons to uphold belief in divinity, not only on civic grounds, but also because a proper understanding of the gods gives us models of perfect happiness that we can emulate.
