The art of manipulating, influencing, or deceiving you into taking some action that isn't in your own best interest or in the best interest of your organization is Social Engineering.

The art of manipulating, influencing, or deceiving you ...

Plans are useless without action. That's why Step 1 is to take action based on what you already know. Then improve bit by bit. Then begin forming a plan. 2. Action Allows Emergence. Taking action creates possibilities that didn't exist before. We always look out at our future from the place we're standing. Yet we forget that this is only one spot.

#### The Art of Taking Action with Gregg Krech - Productivityist

Regardless, I take action on those items that I can do in less than a few minutes. Those that will take longer I drop in my task manager and intentionally procrastinate till a later date. No one can count on total recall. Great notes are the closest thing to a time machine we'll ever get. Note taking is a survival skill. Michael Hyatt. Tweet Quote
