Project Managers (PMs), from first-timers to seasoned professionals. Bucero uses situations many PMs are likely to encounter. Project teams on the edge, disconnected (or overzealous!) managers, undependable sponsors, and other, even hostile, environments. The Influential Project Manager gets to the heart of the soft skills that seem critical

#### PM WORLD BOOK REVIEW

So, without further ado, here is our list of the 18 most influential people in project management (in no particular order).

Elizabeth Harrin Elizabeth Harrin is the founder of the well-known project management website the Girls' Guide to PM, which receives over 50,000 monthly views and is a fantastic resource for all things project management.

PM WORLD BOOK REVIEW

Project partnering may be a solution to the traditional adversarial relationship between owner and contractor. Partnering allows both sides to form common goals and objectives, and create a trusting, productive relationship that is beneficial to both parties. Guidelines to project partnering are outlined. The step-by step guide for partnering is: begin early in the process, obtain top management ...

Partnering Guidelines for Winning Project Management ...

She is a past Chair of the Women in Project Management Specific Interest Group of APM, and she was also voted one of the top 10 most influential Project Managers in the UK by APM members. But what made me put her on this list is her experience on the award-winning Eden Project in Cornwall, the largest conservatory in the world.
