The Kidney Stones Handbook: A Patient's Guide to Hope, Cure and Prevention Revised, Expanded Edition

The Kidney Stones Handbook: A Patient's Guide to Hope ...

The Kidney Stones Handbook gave me the information that my own doctor failed to give me. It went into detail about why I got a stone. And, more importantly, it gave me the knowledge of how to help prevent a reoccurrence of that nightmare. I honestly cannot recommend this book to anyone who has suffered through this agony.
