For most of history, we humans have
been very good observers because
we had to. We utilized all of our
senses: touch, smell, taste, hearing,
and sight to detect and to discern.

Becoming A Great Observer |
Psychology Today

As a link to a message bus: Some
companies have expressed an
interest in using ZK as a component
of a persistent reliable message bus.
Observers would give a natural
integration point for this work: a plug-
in mechanism could be used to attach
the stream of proposals an Observer
sees to a publish-subscribe system,
again without loading the core ...

Observer's Guide to Wine and I'm now working on a travel guide. Like the wine book, the travel book won't be a guide to any specific place, but to understanding what travel can do for you and how to get more out of what you invest in it.

J.P. Bary (Author of The Persistent Observer's Guide to Wine)

New funding to support research into fishery observer safety and welfare, has been announced by the Marine Stewardship Council today. The global not-for-profit organisation – which sets an environmental standard for sustainable fishing – said it hoped to accelerate progress in safeguarding observers who carry out a vital role in protecting our oceans.

funding to improve fishery ...

The Observer's Books were a series of small, pocket-sized books, published by Frederick Warne & Co in the United Kingdom from 1937 to 2003. They covered a variety of topics including hobbies, art, history and wildlife. The aim of these books was to interest the observer and they have also been popular amongst children.
