OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn ' t store itself. Therefore, if you know a book that ' s not listed you can simply add the information on the site.

The Place Of Enchantment British
In answering this question for the first time, The Place of Enchantment breaks new ground in its consideration of the role of occultism in British culture prior to World War I. Rescuing occultism from its status as an "irrational indulgence" and situating it at the center of British intellectual life, Owen argues that an
